DairyTrace updates for all things traceability

Welcome to DairyTrace TagTips - quick tips, helpful hints and FAQs to help you understand the most efficient ways to use your traceability tools.

## New Tag Applicator Pin

### New tag applicator pin

Our new tag applicator pin is silver. Green pins can continue to be used but all new orders will feature the new universal silver pin.

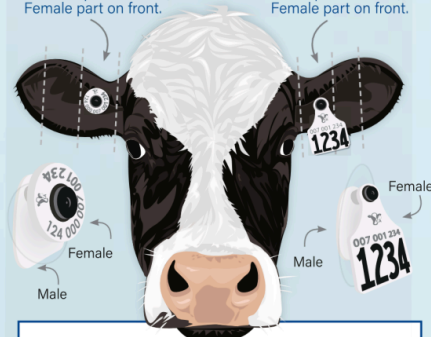

For best retention, follow the tag positioning guidelines below.

#### RIGHT EAR

Electronic set put on the **first third** of ear with Male part on back, Female part on front.

#### LEFT EAR

Visual set put on the **first third** of ear with Male part on back, Female part on front.

If you use the new silver pin and have any feedback, please contact DairyTrace Customer Services
